HOKA ONE ONE® produces premium performance footwear for athletes of all types. Initially distinguished by their extra-thick midsoles, HOKA shoes were first embraced by competitive ultrarunners because of their enhanced cushioning and inherent stability, and today are designed to meet the running, walking and fitness needs of a wide variety of users. HOKA's road running, trail running, hiking and fitness shoes appeal to serious runners and fitness enthusiasts alike who enjoy the shoes' unique ride and performance characteristics.
